Alhamdulillah... my recent Mount Kinabalu trip with Orang Gunung Putrajaya (OGP) was memorable and enjoyable (7-10 Feb 2025)

OGP really make full commitment to guide us before we went to the actual date (in terms of documents & physical preparation). The itinerary was clear, smooth flow from start to the end of my journey and successfully conquered the top of the mountain.

Miss Nina, our tour leader was so friendly, helpful & briefing us clearly before we **hike**. Not to mention, the comfortable accommodation, nice food, transportation and budget-friendly price all added up to an unforgettable experience.

Last but not least, thank you so much to the guides team for the incredible guidance and expertise on the mountain, I personally really appreciate their patience and knowledge that make this climb such a great experience! Thank you too to all of my group members, we came from different background etc. But we did encourage each others and managed to conquer Mount Kinabalu! ❤️

I definitely will repeat another trip with OGP!
Very highly recommend. Thank you Kak Ainn..Miss Nina..OGP THE BEST!!
